

X TAISI SPORTS MEET - 2nd to 5th November 2017

1. We are pleased to announce that The Association of International Schools of India (TAISI) is organizing the X TAISI SPORTS MEET to promote sports awareness among the affiliated schools.
2. Students participating in various events will be placed in five different categories.
Students scoring 851-Units and above -Category-A
Units 781 to 850-Category-B
Units 711 to 780-Category-C
Units 641 to 710-Category-D
Units 601 to 640-Category-E

3. The Classification is based on the following formula:-

- Twenty times the age as on 01st November 2017
- Six times the height in inches
- Actual Weight in pounds

For example, to determine the category of a 16yrs 6 months old athlete, scores of the following to be added up:

$$\begin{array}{r} \text{Age-16yrs/6 months} \times 20 \quad = 332 \\ \text{Height-6 Feet=72 inches} \times 6 \quad = 432 \\ \text{Actual Weight-in pounds} \quad = \underline{60} \\ \text{Total units} \quad = \underline{824} \end{array}$$

With 824 units, the student will be placed in category-'B'

- If a competitor's age is calculated as 15 years 10 months or 11 months for example, it should be considered as 16 years for calculating the category, likewise for all other categories.
